Mr. Julius Brown  
Deputy Collector  
Room 1002  
Internal Revenue Building  
Washington, D. C.

Dear Mr. Brown:

As you were advised in the telephone conversation with the undersigned on 8 January 1948, there has been received in this office a letter signed by you, addressed to [redacted] dated 31 December 1947. The letter advises Miss [redacted] that she owes to the United States Government on account of Federal Income Tax, penalties, and interest the amount of \$103.36. STATINTL STATINTL

As you were advised, Miss [redacted] is presently on an overseas mission for this Agency. It is not expected that she will return in the near future. Therefore, your letter of 31 December 1947 has been forwarded to her with the request that she give it her immediate attention. Since Miss [redacted] was unable to reply to your letter and make payment before 8 January 1948 due to the fact that she is overseas, it is hoped that any discretion available to the Deputy Collector's office will be used. STATINTL

It is suggested that any further inquiries on this matter be addressed for the attention of the undersigned.

Very truly yours,

STATINTL
